

Protect your guests

with the In2Care[®] Mosquito Trap

Get rid of mosquitoes in your resort

- **Controls day-time biting *Aedes* mosquitoes without fogging applications**
- **Reduces risk of Dengue & Zika**
- **Green innovation – reduced use of chemicals**
- **Gives 24 hours / day protection**
- **Non-invasive & invisible to your guests**

Effective and sustainable control using the mosquito to spread larvicide

Kills larvae, pupae & adults

Easy to deploy:

- Use 8 - 10 Traps per acre in high risk areas
- Place in shaded & vegetated sites, hidden from sight
- Add water, powdered gauze & odour lure from sachet
- Refresh each month with new water & refill

The mosquitoes will do the work for you!
